

# 0.005" Brass Bristle, 4-1/4" x 2-1/2" Wood Block Brush

Part Number: G1308B

## EA109BE-16

[Catalog Page # 10 >](#)

Small easy-grip block brush with 0.005" brass bristle and a rectangular hardwood block handle. This multipurpose brush has a 10 x 16 row configuration, with a 3/4" trim, and a brush face of 3-7/8" x 2-1/4". Wood block handle is 4-1/4" x 2-1/2". Traditionally used by professional printers and graphic artists. Very effective at safely cleaning, polishing and deburring easily scratched areas. For a finer brass bristle wood block brush see part # **G1308B003**.
