

# Drum Augers *For the Do It Yourself Market*

Don't look off-shore for DIY drain cleaning tools. You can find top quality drain cleaning tools made right here in the USA by General Pipe Cleaners. In business since 1930, we are a third generation family owned company that manufactures a full line of drain cleaning tools designed for the do it yourself market, including drain augers, drum augers, toilet augers, flat sewer rods, and inexpensive power drain cleaners for the home handyman. General snakes and components are made of high quality steel, making them the most durable in the industry. All are presented in attractive full color packaging with instructions in English, Spanish, and French. Proudly made in the USA. This catalog will help you choose the tool you need to solve your clogged drain problem. For more information, contact the Drain Brains® at General.

## Deluxe Spin-Thru®

This top of the line line drum auger features a rugged steel drum. The 1/4" (6 mm) snake is fed out of the drum into the line, keeping it away from clean kitchen and bathroom surfaces. A "T" grip

handle for more convenient use in laundry tubs. Complete directions on back of card. Also available individually boxed.
