

Welding Backpads by Black Stallion®

NEW

Vermiculite Fiberglass Backpad

The vermiculite bottom layer offers improved resistance to direct flame; heat travels across the fabric, not through it.

BP-VC 6"W x 8"H

Heavy-Duty Insulated Backpad

- Extra ½" layer of fiberglass insulation
- Neoprene coated fiberglass bottom layer
- Aluminumized fiberglass top layer
- Leather & elastic straps

BP-DX 6"W x 8"H
