

WRENCHES & PIPE VICES

Adjustable Wrenches - Extra Wide Jaws

Part No	Description	Jaw Width
EA530EC-6 ADJW6WJ	6" (150mm)	1 $\frac{5}{16}$ " (34mm)
EA530EC-8 ADJW8WJ	8" (200mm)	1 $\frac{1}{2}$ " (38mm)
EA530EC-10 ADJW10WJ	10" (250mm)	2" (50mm)
ADJW12WJ	12" (300mm)	2 $\frac{1}{4}$ " (60mm)

Ideal for use in plumbing, installation and automotive tasks. Not only does the extra wide jaw opening increase versatility, but the super thin head means that the wrench can be used in confined spaces. In addition, the throat depth is deeper than standard adjustable wrenches and the head is angled to offer maximum speed and efficiency. Soft grip handle for added comfort.
