

Tie-Down, 1" x 16' Ratchet 500lbs WLL, Endless Loop

#85515

KEEPER® 16' x 1" Endless Ratchet Tie-Down delivers maximum tie-down tension with an easy to use ratchet that will never open accidentally. The endless ratchet design has no hooks and allows the free end to be looped back through the ratchet for tightening, enhancing convenience by preventing the Hi-Test® webbing from twisting and increasing security by removing pressure from the strap edge. Perfect for car and SUV roof racks, the Endless Ratchet Tie-Down has a 500 lbs. working load limit and a 1,500 lbs. break strength, making it perfect for camping and a range of other applications.

- 500 lbs Working Load Limit
- 1,800 lbs Break Strength
- 16' Endless Loop Open Molded Grip Ratchet Tie-Down
