Hello Mitzaki,

Please read the email from our Purchasing Manager about your RoHS question.

Regards,

Betty

Subject: RE: the RoHS

The RoHS Directive, as we understand it, is aimed at reducing the "hazardous content" of consumer electronic devices to minimize the environmental consequences of their disposal. All catalog products supplied by Precision Brand Products, Inc. are in compliance with the RoHS Directive with the following exceptions:

Metric Keystock

Maintenance Kits Components

(including E-Clips, Snap, Housing, & Retaining Rings, Cotter & Hitch Pins, Grease Fittings, & Machine Keys)

Coupling Nuts

B-7 Threaded Rod

Metric Threaded Rod
