**Request for Compliance Certification on Banned, Restricted and/or Controlled Chemicals and Substances under the EU Directive 2002/95/EC RoHS**

Pelican Products, Inc., based on current knowledge of material specifications, supplier information and material processing, hereby certifies, to the best of its ability, that all products supplied to Peli SA, are in compliance with the Restriction of Hazardous Substances (RoHS) EU 2002/95/EC Directive, and do not contain any of the chemicals or are within regulated limits defined in the directive for:

**Metals and their compounds:**

- Hexavalent Chromium (VI) (Cr6+)
- Mercury (Hg)
- Cadmium (Cd)
- Lead (Pb)

**Brominated flame retardants:**

- PBB (Polybrominated Biphenyls)
- PBDE (Polybrominated Diphenylethers)

- *Maximum concentrations are 0.1% (except for Cadmium which is limited to 0.01% ppm)*

All substantiating documentation and applicable Material Safety Data Sheets (MSDS) can be provided upon request.
