

Norma Americas, Inc.

April 15, 2019

To whom it may concern:

All of the products that we provide are RoHS/REACH compliant and comply with the European Union's Restriction on Use of Hazardous Substances in Electrical and Electronics Equipment RoHS 3 Directive 2015/863 and REACH 197.

Information for **REACH Inquiry on SVHCs - Candidate List dd 15 January 2019**

Please see the original publication by the ECHA on

http://echa.europa.eu/chem_data/authorisation_process/candidate_list_table_en.asp

Our status to RoHS and/or REACH:

1. We do not produce chemicals or import chemicals
2. According to knowledge, no chemical substance on current candidate list (SVHC) has been identified in the delivered product, above the allowed limit.

We have asked our suppliers to register chemicals according to the RoHS and REACH regulation, or to ask their suppliers to do so.

For all chemicals we use for our production a safety data sheet is available on request and no substances in the REACH candidate list dated 15 January 2019 and RoHS 3 Directive 2015/863 are used.

Changes in the candidate list or in the product specification can lead to reevaluation of this statement. We will use our best effort to provide updated and relevant information required for compliance with the RoHS and REACH regulations.

We would like to thank you for your valuable cooperation in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Cory Waite".
